

QU Book Donation

Deadline 11:59AM Wednesday before you next Lab

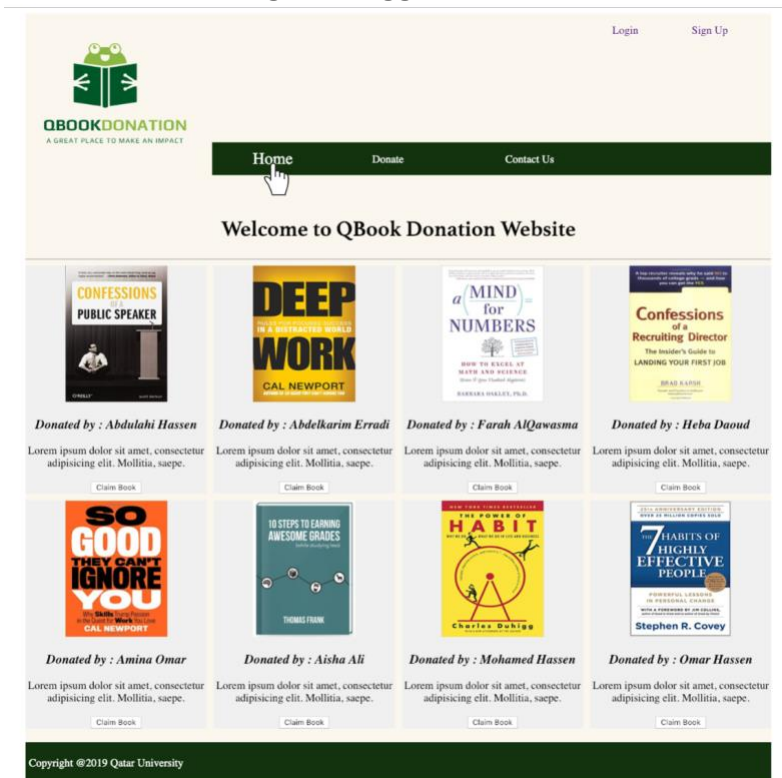

In this project you will be required to apply the following concepts to all the three pages give to you.

- Use the grid , flexbox and media queries to define a responsive page layout and the form layout
- Use flexbox when appropriate to define the **layout of the book cards**, and the **navigation of the page**.
- Use font-awesome to add icons to the website

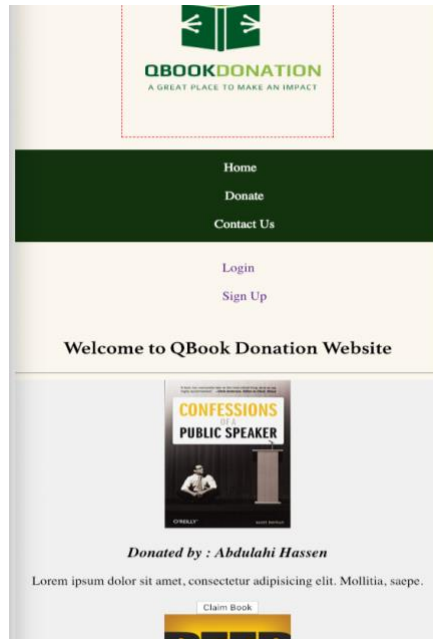

Detail Description of the Website

- Create a project named QuBook
- The following pages are provided for you
➔ Home, Donate, Contact Us
- After completing the assignment , all the pages should resemble the images shown

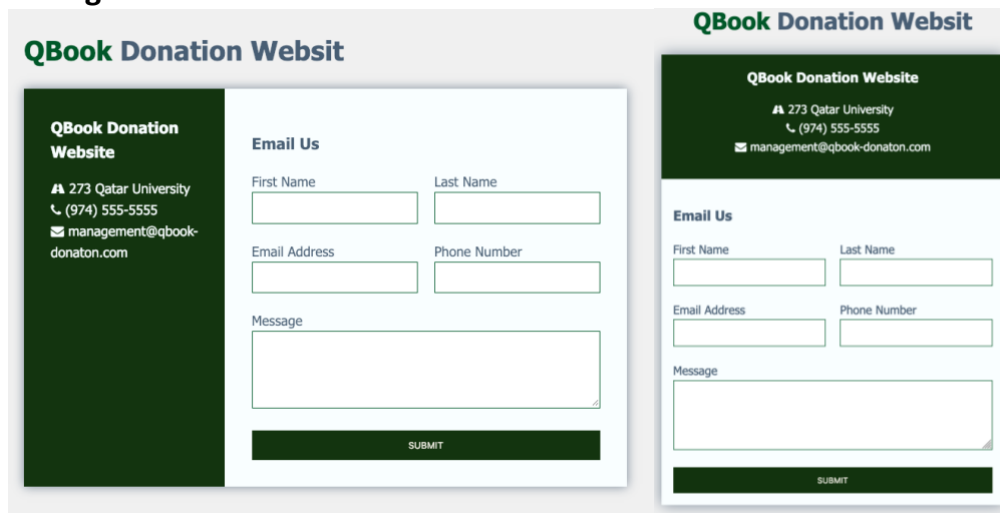

Home Page on Bigger Devices

Home Page on Smaller Devices

Contact Us Page

After you complete the lab:

1. Fill in the **Lab2-3-TestingDoc-Grading-Sheet.docx** and save it inside **Lab2-3-CSS** folder
2. Sync your repository to push your work to Github.
